**Nebraska Academy of Family Physicians Foundation  
Medical Mission Trip Educational Grant**

The Nebraska Academy of Family Physicians Foundation has available one education grant of \$500 for medical mission trips.

The grant has been instituted to defray expenses of medical students participating in medical mission trips as a part of their medical educational experience.

The grant is available to Nebraska medical students interested in careers in family medicine.

To apply for the grant, the student should complete the enclosed form and return it along with the requested letter of recommendation to:

Nebraska Academy of Family Physicians  
ATTN: Marcia J. DeRoin, Executive Vice President  
11920 Burt Street, Suite 170  
Omaha, NE 68154-1598

***Deadline:* The NAFP Foundation office must receive the application form by  
January 29, 2010.**

The student who receives this grant will be expected to write a brief report of the educational experience and submit it to the Foundation office within one month following the trip. Reports will be filed and submitted by the Foundation to the *Cornhusker Family Physician* magazine for consideration for inclusion in the magazine.
