

**Nebraska Academy of Family Physicians
Foundation Programs**

- Supports the Hiram R. Walker, M.D. Lectureship in Family Medicine.
- Encourages NAFP/AAFP memberships for all interested medical students at UNMC and Creighton University. Also pays a portion of Family Medicine residents' dues.
- Supports continuing medical education for family medicine physicians, residents and medical students in the specialty of family medicine.
- Provides grants for students and residents to attend the National Conference of Family Medicine Residents and Medical Students.
- Provides an award to winner of the Annual Junior Medical Students Community Health Project Poster Contest at UNMC.
- Supports Family Medicine Interest Group meetings for medical students at Nebraska's two medical schools.
- Provides Scholarships:
 - Michael Haller Scholarship* – to a graduating senior from Creighton University choosing a career in Family Medicine.
 - Fay Smith Scholarship* – to a graduating senior from Nebraska Medical Center choosing a career in Family Medicine.
 - DeRoin Memorial Scholarship* – to a medical student with strong interest in Family Medicine.
 - Medical Mission Scholarship* – to a medical student who has a strong interest in Family Medicine and participates in a medical mission trip.
 - Student Scholarship* – to a medical student interested in Family Medicine (*supported by Fall Conference Trap Shoot fundraiser*)
 - Don Larson Memorial Scholarship* – to a Family Medicine resident interested in rural practice.
 - Charles F. Ashby Scholarship* – to a new Family Physician in Nebraska to help with practice expenses.
- Tar Wars – Coordinates the pro-health, anti-tobacco educational program. Also provides support for selected Nebraska student to go to the National Tar Wars Conference.
- Endowment funded by life insurance policies – This program, spearheaded by the NAFP Foundation Trustees, will provide for the future of our organization, our Foundation, and Family Medicine.

Enclosed is my tax deductible donation to the NAFP/Foundation for \$ _____
