

# SAVE THE DATE!!

## 2014 CORNHUSKER CANADIAN CLINICAL CONFERENCE

July 14th - 19th, 2014

2014 will be another an exciting year for the CCCC. Given the fantastic reviews, we have chosen to return to the prestigious Aikens Lake Wilderness Lodge in Manitoba, a Cabela's Worlds Foremost Destination location.

As the longest running international medical conference in the United States, the CCCC has stood the test of time. Everything is designed keeping you, the physician, in mind. The length of the conference has been shortened to 5 nights making it easier for busy physicians to take time away from their practice. We have moved the conference to a more accessible location, shortening travel time from 4 days down to 2. To top it all off, we now have 5 star lodging accommodations, dining and amenities. With Aiken's having some of the best fishing Manitoba has to offer, you won't be disappointed. Your "Aiken's Experience" will be like none other.

Returning to our new venue with speakers from all over the country, this years conference will prove to be one of the best! Space is limited so don't miss out!

Call to register your spot today and save with our new early-bird discount!!  
Reservations and deposits can be made by calling Aiken's at 800-565-2595.
