

IMPROVING PATIENT CARE IN RURAL NEBRASKA:

# Oncology Series for Primary Care Providers

This telehealth series consists of 11 sessions that will provide an interactive learning opportunity for health care professionals to engage UNMC faculty in enhancing knowledge, maximizing performance, and improving patient care.

## SESSION LENGTH

Each session is scheduled on a Monday from 12:15–1:15 PM CT (January–November 2014).

## INTENDED AUDIENCE

UNMC volunteer faculty members, primary care practitioners, physician assistants, nurses, nurse practitioners, and pharmacists

## WAYS TO PARTICIPATE

### 1. IN PERSON

Join us at the Eppley Science Hall Amphitheater on the day of the event. ([UNMC Campus Map](#))

### 2. AT A GROUP VIEWING SITE

This activity is available via the Nebraska Statewide Telehealth Network. If you would like to participate in this telehealth video conference, please contact the coordinator at your hospital.

### 3. VIA VIDEO STREAM

This activity will be streamed live over the Internet. For more information, visit [unmc.edu/cce/live\\_video\\_stream.htm](http://unmc.edu/cce/live_video_stream.htm).

### 4. VIEW THE ARCHIVED VIDEO ONLINE

One week after the live event, visit [unmc.edu/cce/outreach\\_online.htm](http://unmc.edu/cce/outreach_online.htm) to view the archived presentation.

## CREDIT (per session)

This live activity has been approved for *AMA PRA Category 1 Credit™*.

The Nebraska Medical Center is an approved provider of continuing nursing education by the Nebraska Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
